Dear Ms. Robinson:

Re: Property Located at 1645 Railroad Avenue, St. Helens, OR  
(Formerly Owens-Corning Fiberglas Corporation).  
EPA I.D. No. ORD093476109

Thank you for your June 11, 1993 letter to Mr. Bob Lalande of our St. Helens, Oregon, facility regarding the above-referenced matter, wherein you indicated that EPA does not anticipate further investigation of the property under the federal superfund program. As you are aware, the property is currently listed on the CERCLIS listing. As a result of your recent determination, however, we request that the property either be removed from the CERCLIS listing or designated for no further action.

Your cooperation in this matter is greatly appreciated. Should you have any questions or need any additional information, please don't hesitate to call.

Very truly yours,
